Navy Brings New Housing Demand to Kitsap

A Navy Expert will Tell Us What This Means to Kitsap

With the USS Nimitz coming to Bremerton later this year with 2,500 sailors and their families, a new and additional demand for housing is coming. An additional demand for 2,000—2,500 dwelling units—on and off base—rental and ownership will impact our housing market this year. Find out when and what it means for Kitsap County.
